Sir,

With reference to your letter No. L. 8214/11. dated the 11th instant enquiring why the resolution of the Davangere Municipal Council passed on the 18th March 1931 about having a non-official President, was not forwarded to Government, I have the honour to state that the resolution was forwarded to me in the usual course. I am enclosing herewith a copy of the resolution.* It will be observed that the council was not unanimous in their request Moreover the resolution was passed on the eve of the dissolution of the council As I had reason to think that the resolution did not represent the considered opinion of the council, I have not submitted it to Government I am asking the council to reconsider the matter and furnish their considered opinion on this question
